Processing Error Procedure

We make every attempt to ensure your donations are processed correctly. Please contact A Rocha Canada (ARC) immediately if any withdrawal from your account is not in accordance with your instructions and/or your written agreement (e.g. different amount or date), or was processed after you have cancelled your authorization. We will ensure any unauthorized transaction is reversed and the funds returned to you.

We kindly ask: should you receive a donation receipt for any gift that was processed in error and the funds subsequently restored to you, that you please return any tax deductible receipt(s) for the cancelled donation(s) to ARC. ARC is required by Canada Revenue Agency to retrieve from the donor the original receipt for any cancelled donation.

Please note that you have 90 days from the date of withdrawal to report any unresolved problem to your financial institution to seek reimbursement through the banking system.
